

# OKI® PACEMARK® 4410

High-Speed Forms Printer

# Rock-solid performance.

## Solid support.

### Highlights:

Designed for high-volume, lengthy, unattended print runs: general data processing, report generation, transaction logs, spreadsheets

15,000-hr. MTBF – tested to run 50% longer than its closest competitor

300 lines-per-minute print speed (1,066 cps)

Crisp, clear printing – even on 10-part forms

Stand-alone or network-ready: both compatible with Windows® 2000/98, MS-DOS® and IBM® OS/2®

Network-ready model (PM4410n) pre-configured with 10/100 Base-T Ethernet internal print server

Stand-alone model is networkable via optional Ethernet external print server

Rugged metal design for stability and years of heavy use

2-year on-site printer warranty (parts and labor)<sup>1</sup>

Toll-free, 7-day/24-hour Customer Support  
Hotline: 800-OKI-DATA (800-654-3282)<sup>1</sup>

<sup>1</sup> Available in the U.S. and Canada only.

### Simply the most reliable, powerful and durable forms printer in its class.

#### Designed for high-volume forms printing.

Stand-alone or shared by a workgroup, the PACEMARK® 4410 heavy-duty impact printer can tackle your most demanding forms workflow and then some. It simply takes command of the job.

The exceptional performance of the PACEMARK 4410 is perfectly suited to applications requiring high volume, including long, unattended print runs, general data processing, invoices, billing and financial statements, inventory reports, banking transaction logs, and accounting reports.

For unsurpassed reliability, the PACEMARK 4410 is rated at 15,000 hours before failure (MTBF)—the equivalent of 7.25 years of 40-hour work weeks!—outperforming its closest competition by 50%.

For strength and stability, the PACEMARK 4410 has a larger, beefier carriage assembly, ensuring optimal print quality. The metal chassis gives the printer greater rigidity and strength in rugged environments. Even the tear bar is long-lasting metal—for clean, precise cutting.

And ensuring the outstanding performance of the PACEMARK 4410 is an industry-leading on-site warranty: 2 years parts and labor on the printer, and 1 year on the printhead.

Powerful? It prints clearly on the last page of a 10-part form, and handles stock that's up to 48% thicker than its competitors can take. It has the horsepower to deliver 300 lines per minute/1,066 characters per second in High-Speed Draft mode—and an unmatched speed off the line in its 15 ips feed rate.

As for endurance, the PACEMARK 4410 can consistently turn out 35,000 pages per month—which translates into 3,045,000 pages before failure.

There's no question about it: if you need reliability, power and endurance in a forms printer, the printer that commands attention is the PACEMARK 4410.

# OKI® PACEMARK® 4410

## High-Speed Forms Printer

**Built to last, inside and out.** Everything about the PACEMARK 4410 says "convenience"—right down to the 2-line, back-lit LCD display panel. And that extends to the printer's sensor-driven paper handling: stock thickness is read and adjustments made automatically, so there's no need for user intervention—and media moves smoothly through the machine.

Two paper paths (front and rear) let you load two forms simultaneously: continuous-form stock, including single- and multi-part, card stock, envelopes and labels. And the paths can be selected through the printer software that's included or via the front panel.

The stand-alone model of the PACEMARK 4410 is at home in a wide variety of computer platforms, including Windows NT, Windows® 98, MS-DOS® and IBM® OS/2®. Or upgrade via internal or external network print servers to support Windows® NT® Workstation, Novell® NetWare®, UNIX®, IBM LANServer® and Microsoft LAN Manager®. Or get your network support out of the box, with the factory-configured model.

If you have a question about your PACEMARK 4410—7 days a week, 24 hours a day, 365 days a year—call us at 1-800-OKI-DATA (800-654-3282) and talk to a live service expert.

For more information on the PACEMARK 4410 or other OKI printers, visit our web site at [www.okidata.com](http://www.okidata.com). Or, for the OKI dealer nearest you, call 1-800-OKIDATA.

### Specifications

#### Technology, Speed and Print Characteristics

- **Print Method:** Serial Impact Dot Matrix (SIDM)
- **Printhead:** User-replaceable 2 x 9-pin diamond array
- **Format:** Wide-carriage (136 column) only
- **Print Speed / Character Matrix:**

Mode	NLQ	Utility	HSD
Speed (in cps)	200	800	1,066
Speed (in cpi – HxV)	17 x 13	9 x 7	7 x 7
- **Lines per minute:** 300
- **Feed Rate:** 15 inches per second (ips)

#### Emulation, Interface and Memory

- **Emulations:** Epson® FX, IBM® ProPrinter® III, OKI® MICROLINER® co-resident
- **Interfaces: Standard:** Centronics® IEEE 1284 bi-directional parallel; RS-232C (supports 38.4K data rates); **Optional:** Ethernet® via OkiLAN® 6100e 10/100 Base-T Internal Print Server standard on PM4410/n<sup>1</sup>, OkiLAN® 6020e 10/100 Base-T External Print Server or OkiLAN® 6010e 10 Base-T External Print Server; Co-ax Adapter or Twin-ax/Co-ax (3rd party)
- **Standard Memory:** 512K RAM, 28K Receive buffer (max.56K in DLL)

#### Compatibility

- **Feed Rate:** 15 inches per second (ips)
- **Operating Systems:** Windows® XP, 2000, 98/95, 3.x and NT® 4.0; MS-DOS®

#### Fonts/Characters

- **NLQ:** Courier,Gothic
- **Utility/HSD/SSD:** Gothic
- **Scalable (22 – 216 pt.):** Courier,Gothic
- **Code Pages:** Standard ASCII;Epson® Character Set I & II; IBM® Character Set I, II & All; International Character Sets including BRASCII & ABICOMP; Line/Block Graphics
- **Bar Codes:** UPC-A, UPC-E, EAN 8, EAN 13, Interleaved 2 of 5, Code 39, Code 128 (A,B,C), PostNet™

#### Paper Handling

- **Paper Input:** Continuous: single-part/multi-part; card stock; envelopes; labels
- **Number of Copies:** Interleaf = 7; Carbonless = 10
- **Maximum Thickness: Rear Feed:** 0.014" (0.36 mm)  
**Bottom Feed:** 0.031" (0.78 mm)
- **Paper Feeding:** Rear Push and Bottom Push standard
- **Tear Capabilities:** Zero tear (Menu-selectable); Metal tear bar
- **Loading:** Auto loading, Auto paper park, Autogapping, Straight paper path (front), Software-selectable front/rear paper paths
- **Sensors:** Paper out, paper input, Paper motion/Jam detection, Paper width, Paper selected

#### Warranty and Reliability

- **Limited Warranty:** 2-year On-site on printer (parts & labor)<sup>2</sup>; 1-year On-site on printhead (parts & labor)<sup>2</sup>
- **MTBF:** 15,000 hours (25% duty cycle/35% page density)
- **Monthly Workload:** 35,000 pages at 25% duty cycle/-35% density
- **Printhead Life:** 400 Million characters avg. in 10 cpi Utility mode (25% duty, 35% page density)
- **Ribbon Life:** 4 million characters

#### Environmental

- **Size (WxDxH):** 29.5"x 14.9"x 14.1"  
(74.9 cm x 37.8 cm x 35.8 cm)
- **Net Weight:** 92 lb. (41.7 kg)
- **Maximum Noise:** 61 dBA (Utility), 55 dBA (Utility-Quiet)

#### Ordering Information

Printer	Part Number
PACEMARK 4410 – 110V – 240V	61800901
PACEMARK 4410n – 110V – 240V (factory-configured with OkiLAN® 6100e)	61801001

#### Ribbons

Ribbon cartridge – Nylon fabric (15 Million character life)	40629302
